Grayling Man Injured in Crash

Kim Halstead, 26, of Grayling, was injured last Wednesday morning, April 13, when his vehicle went off southbound I-75 at mile 260 near Grayling.

An ambulance crew took him to Mercy Hospital with a reported head injury and he was transferred an hour later to Munson Medical Center in Traverse City. The accident was reported at 2:30 a.m. by a Williamston man who drove to the sheriff dept. Halstead was still in the vehicle when police arrived at the accident scene.

All Winnings CASH!

Hanson Park Sponsoring Las Vegas Party Saturday

There will be a Las Vegas Party complete with Carnival Bingo at Hanson Park this Saturday. This event is one of a long list of events which will be sponsored by the park during the next few months in an effort to raise much needed money, money which will be used to continue park improvements and continue the effort of turning Hanson Park into a year-round community recreation area.

Carnival Bingo will begin at noon on Saturday, April 23 and will continue until midnight. The Las Vegas games will open at 7:00 p.m. and operate until midnight with all winnings being paid off in cash. Price of admission is \$5.00 in advance and \$6.00 at the door. Included in the admittance fee is \$2.00 in gambling tokens.

There will not be a bar in operation at this Las Vegas Party but those who wish are welcome to BYOB. Snacks and soft drinks will be available.

As an added attraction, there is a possibility that this party will be held in the old Fred Bear Museum Building, thus making another milestone in the continuing efforts of Hanson Park to expand and provide recreational and educational opportunities to the community.

The past ski season was a disastrous one for Hanson Park, with expected revenue way down. You could be a great help to the park and you can have a great evening of fun by attending the Las Vegas Party. For those bingo fans, don't forget that the bingo games open at noon and you do not have to purchase a ticket to play bingo.

Interlochen's "Taming of the Shrew" Coming to Grayling April 29

Michigan audiences will again have the opportunity to experience music and other arts programs from Interlochen right in their own communities as the Interlochen Outreach "Show on the Road" project begins its 9th season.

The Interlochen Arts Academy presentation of "Taming of the Shrew" will make its Grayling appearance on April 29, 1983 at 7:30 in the Holiday Inn. The program is sponsored by Grayling Business & Professional Women and funded with the support of the Michigan Council for the Arts.

Women's Softball Meeting April 28

The Grayling Women's Softball League will hold its 2nd organizational meeting Thursday, April 28, at 7:30 p.m. at Chief Shoppemagon's Motor Hotel. The purpose of this meeting is to elect 1983 officers and to finalize plans for the 1983 season.

All established teams must be represented at this most important meeting. Also, any woman interested in playing softball this Summer who is not on an established team should attend.

Shroud of Turin (Hoax or Miracle)

As a public service, the Mason's will sponsor the second lecture of the Shroud of Turin. Come stretch your mind as well as your faith. Some of the facts will startle you.

The lecture will be at the Masonic Temple (next to the Rialto Theatre) April 21st, 7:30 p.m. til 9:00 p.m. Everyone is welcome. Refreshments will be served afterwards.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 19-24 & 26-27 April 83.

Firing will be in the following areas on the dates and times as indicated.

The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd., east of the gas pipeline and south of Portage Creek. Firing will begin at 8:00 AM on 23 Apr and cease at 3:00 PM on 24 April.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 9:00 AM (Daily) and cease at 5:00 PM (Daily).

The ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

— PUBLISHED AT GRAYLING, MICHIGAN 49738 —

THURS., APRIL 21, 1983—14 PAGES— 25¢

Seven Arrested in County Drug Bust

Four Grayling men, a Frederic couple, and a Big Rapids man have been arrested and charged with delivery of marijuana and LSD.

The Crawford County Sheriff Dept., along with the Mecosta County Sheriff Dept., the Michigan State Police Crime Investigation Unit from East Lansing, and state police from both the Houghton Lake and Gaylord posts, arrested the suspects last Tuesday and Wednesday nights capping a four-month investigation.

The following persons were arrested and lodged in the Crawford Co. jail:

James Forbes, 22, of Grayling, charged with four counts of delivery of marijuana and one count of delivery of LSD.

Robert Thompson, 32, of Grayling, charged with three counts of delivery of marijuana.

Robert Muth, 29, of Frederic, charged with

two counts of delivery of marijuana.

Barbara Baumgardner, 33, of Frederic, charged with two counts of delivery of marijuana.

Donald Forbes, 20, of Grayling, charged with one count of delivery of marijuana.

Harold Rice, 27, of Grayling, charged with one count of delivery of marijuana.

Lodged in the Mecosta County jail was Robert Welch, Jr., 19, of Big Rapids, charged with one count of delivery of marijuana and one count of delivery of LSD.

Crawford County Sheriff Joe White, in a news release last week after the arrests, said this was the second successful drug-bust operation within six months in the county but the arrests only hit the tip of the iceberg.

White said further drug-bust operations in

the county will have to be terminated, however, because of the recent loss of the sheriff's detective program, which helped set up the multi-law-enforcement-agency drug busts.

White said last week at the same time warrants were being issued for the drug arrests, the county board of commissioners voted 5-2 to not allow the sheriff to shift line items funds in his budget in order to continue to fund the detective program.

He said he would re-submit a proposal to bring back the detective program at the April 28 commissioners' meeting.

The detective program was dropped at the first of April after two and a half years in which it was responsible for 158 felony arrests and recovered more than \$135,000 in stolen goods.

Crawford 1st in State With Land-Use Mapping

Crawford County is now the owner of the only map in Michigan and possibly the United States completely drawn from infrared aerial photographs.

The map was funded through a \$7,500 state grant, \$6000 Northeast Michigan Private Industry Council grant, and \$2,500 county appropriation. The advanced technology mapping can be used to locate types and sizes of trees to aid wood product businesses.

"Governor Blanchard recently indicated an additional 5,000 jobs in northern Michigan could open up with proper use of wood products," said Garland "Bud" Joyce, a Crawford County commissioner who helped secure state and regional money for the project.

Joyce said the information supplied by the

infrared photographs could help not only existing wood product businesses here such as Weyerhaeuser and ADJ Forest Products, but it will also help in influencing wood businesses to locate here.

"Crawford County is 84 percent forest-land," Joyce said, "and forest products could contribute three to four times more to the economy here."

Information from the infrared photographs on Crawford County is stored on the DNR computer system and available for mapping roads in the county, assessing land and property, looking for water pollution, charting agricultural lands, marshes, developed areas, and other land and water features.

Joyce said now that the county has the information it must advertise to let businesses and individuals know about it.

Area Merchants Batting Hefty .433 Average Supporting Softball League

Area businesses are batting a sparkling .433 average in support of the Grayling Softball League as it plans to open the season on a brand new field.

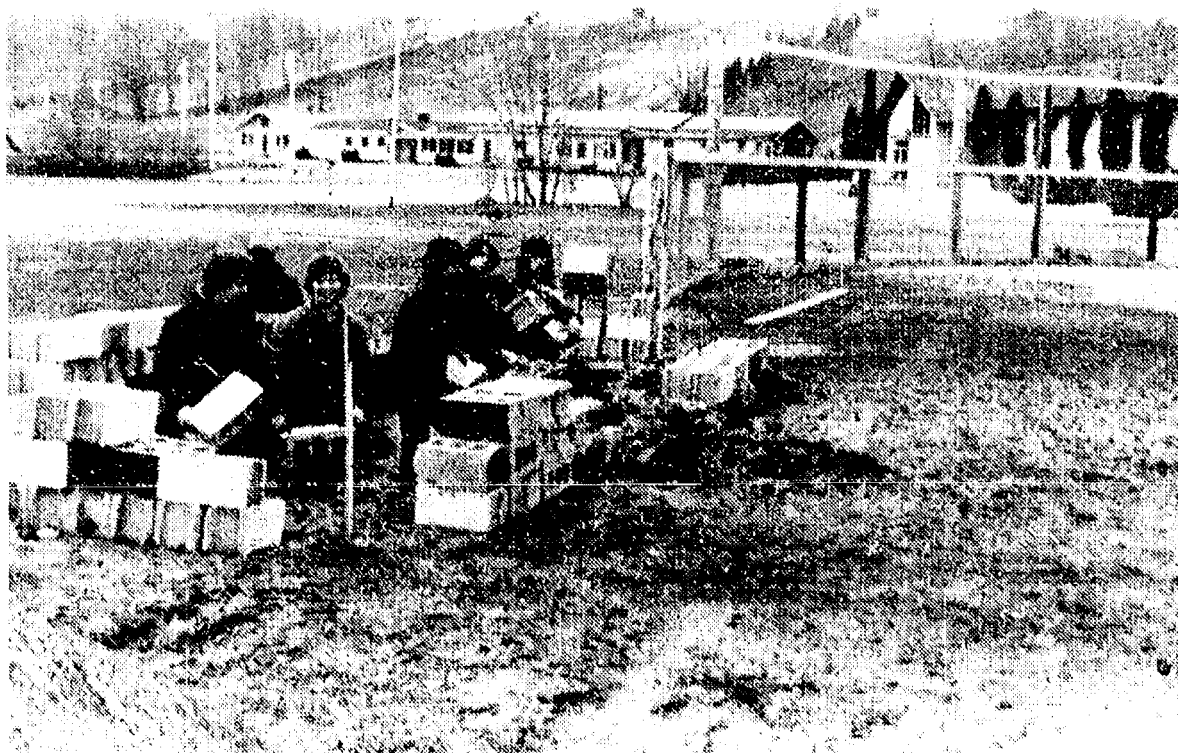

With the season still four weeks away, merchants have bought up 26 out of 60 sign spaces on a new outfield fence at the Hanson Hills ballpark. That's a .433

average even before the season starts and, unlike softball, that average could keep climbing to 1.000.

The new field at Hanson Hills, which the league is helping build along with crews from Camp Shawono and Camp Grayling National Guardsmen, will feature a six-foot high homerun fence with advertising.

The wood for the fence was donated by Weyerhaeuser and the poles were donated by ADJ Wood Products. The field already has a screened-in backstop and block dugouts are being built.

The infield will be entirely covered with diamond dust and the outfield has been leveled and re-seeded. See Softball on Page 14

HANSON HILLS SOFTBALL FIELD—The "Howard Taylor" softball field at Hanson Hills will be sporting a new home run fence and block construction dugouts this year when the Grayling Softball League begins their play on the diamond. Camp Shawono work crews braved frigid weather last week to re-seed the outfield and erect the six-foot high home run fence.

MODERN MAPPING TECHNIQUES—Crawford County Bd. of Commissioners chairwoman Jeannette Kitchen and commissioner Garland "Bud" Joyce show a Crawford County land resource and use inventory map put together from infrared aerial photographs. Information taken from the photographs is also stored on the DNR computer.

County Residents Walking (and driving) Straight Line

Crawford County residents have taken new drunk driving laws to heart. For the third week in a row since harsher laws went into effect, Crawford County residents have avoided drunk driving charges.

Other Michigan drivers haven't been as smart, however, as the Michigan State Police stopped a 42-year-old Clare man and the Crawford County Sheriff Dept. stopped a 36-year-old Trenton man over the weekend in Crawford County and both were charged with O.U.I.L.

The two arrests bring the total of O.U.I.L. arrests in Crawford County to three since March 31 when the new laws went into effect. All three persons charged were not county residents.

The new laws give stiffer license penalties, make offenders pay for substance abuse screening or rehabilitation, and make it illegal for anyone to drive with a blood alcohol level above .07 regardless of how it affects their driving.

Last year 140 persons were arrested in Crawford County for drunk driving.

Kirtland Names Commencement Speaker

John Manoogian will be the guest speaker at commencement exercises held at Kirtland Community College on Friday, May 6th, at 7:30 p.m.

Mr. Manoogian is the Executive Director of Product Assurance - Ford North

American Automotive Operations, a position he has held since January, 1979. He is responsible for directing NAAO strategy with respect to quality, durability, and reliability; directing the identification and resolution of product problems, and

coordinating quality improvement programs.

Mr. Manoogian began his career at Ford in 1940 as a drafting apprentice. He advanced through posts in the

See KCC on Page 14

Wesley Brown Dies Monday

Wesley C. Brown, 74, of Grayling, passed away Monday, April 18, 1983. Friends may contact Sorenson Funeral Home for arrangements.

Special Pre-Natal, Infant Care Program Offered Here by State

Crawford County has been picked as one of three counties in the northern lower peninsula to receive grant money aimed at reducing infant death. The first program funded by the state will be a pre-natal and infant care conference held Monday, April 25, at the Crawford County Courthouse from 10-2. All pregnant women or mothers are invited.

For more information call the District Health Dept. in Grayling at 8-2841.

Topics covered will include weight decreases in new-borns due to smoking, the effects of alcohol, nutrition, medication, and relaxation techniques. The conference will focus on helping women communicate with physicians and also will give information on financial aid available through county programs.

Grayling, Michigan—Thurs., April 21, 1983

From Our
Corner ...

The last few days we have been reading with great interest the different groups down state who are advocating circulating petitions to repeal the 38 percent income tax that was passed by the legislature and signed by Governor Blanchard...the petition would call for a halt to the income tax and have it put on the ballot for the voters to decide whether it should be law...we're all for it, plus we would add the repeal of the raises the Governor and Legislators voted for themselves...

Some will say that Governor Blanchard has donated his raise to the needy...that is great...but, the problem is that the tax is being taken from a lot of needy people that will be hurt hard when this tax is taken out of their pay check...we are sure there are more needy that will suffer than the needy who will gain anything from what the Governor donates...

For the life of us we can't understand what our lawmakers were thinking about when they voted the tax and raises, when the economic climate in Michigan is nearly zero...all we need is new taxation to force more industries and businesses to locate in other states...and with their moving, goes jobs that Michigan so sorely needs...

As a grass roots opinion...send the petitions up north, we're sure there will be no difficulty in getting the number of signatures that are needed to put the question on the ballot...

Every day more and more of our summer friends are returning from their winter homes in the south and west and by our weather, they should have stayed another month, although we talked to a few that spent the time in Florida this winter and were told that it was the worst winter that Florida has ever experienced, seemed like it rained almost constantly...so, I guess us folks that had to stay up north this year may have come out better in the long run...we certainly had a mild winter compared to the normal...in our life span in the north country we cannot remember a winter like this past one...seems like all parts of the country except our part experienced their worst winter for snow and rain and wind...and just last week, we got a skiff of snow and Minnesota and Wisconsin received from 14 to 18 inches of that white stuff...

Things we didn't know until now...we had always believed that any court case of any kind had to be instigated by an attorney...not so in the case of the recent suit brought on by a jail inmate against the county and Sheriff Joe White because of having to sleep on an Army cot...the government supplies forms by which all an inmate has to do is fill it out and present it to the courts...the form reads "to be used by a prisoner in filing a complaint under the civil rights act, 42 USC 1983" United States District Court, Eastern District of Michigan, it contains instructions for filing a complaint by a prisoner under the Civil Rights Act, 42 USC 1983...it seems like those who break the law of the land have more rights than law abiding citizens...

It is hard to say how much this will cost Crawford County just to defend itself in the suit...and this brought on by someone who already is being fed 3 squares a day and a warm place to be in, all at more cost to the county...there ought to be a law against such actions...but then, it probably would be broken some how...

At least Sheriff White is not alone...he received a letter from the Sheriff of Mason County who stated that at the present time he has four suits pending against him, the department and the county...

What will be next?...

Time to call a halt to this week's turkey...good-night T.J., Stefany and Amber, and to all of our readers have a nice weekend, one of these days it will warm up...

Interesting Events In
Grayling 23 Years AgoINTERESTING ITEMS OF NEWS GATHERED FROM
THE FILES OF THE AVALANCHE OF 23 YEARS AGO

23 Years Ago
April 21, 1960
Mr. and Mrs. Thomas Stancil and sons George and Philip arrived home Thursday from Ft. Lauderdale, Fla., where they had spent the winter.

Mr. and Mrs. Ed Holtcamp and children of Allegan spent Saturday and Sunday with their parents, the Charles Holtcamps and Mrs. Glen Fenton, coming to have their son Randy Ray baptised at Michelson Memorial church on Easter. Mrs. Fenton served an Easter dinner for the Holtcamp families.

Mr. and Mrs. John Sojka and family of Rochester were Easter week guests of her mother, Mrs. Ernest Borchers and Don.

The Gene Papendicks spent Sunday the 10th in Kalkaska with the Frank Creviers.

The Wesley Kumpulas visited at the Roy Manty home in Lansing on Saturday, the 9th, leaving Sunday morning for Howell to visit Mrs. Kumpula's brother, and enroute home stopped at Flint to see Mr. Kumpula's niece, Mr. and Mrs. Robert Bennetts.

Miss Julie Thayer was 9 years old April 3rd, and Miss April Thayer 5 years old on the 12th, and in celebration of both birthdays they invited twelve friends in for an afternoon of games on Saturday, the 9th. One of the highlights was a fish pond, which provided a favor for each guest. Ice cream and birthday cake were served. Julie and April received many nice gifts.

April 10th is Douglas Legg's birthday anniversary. This year he was 9 years old, and on the day before, Saturday, 9 of his friends came over for a celebration which included games and the traditional birthday cake and ice cream. Prizes were won by Dennis Palmer, Jimmy Hatfield, David Ashton and Pamela Legg in the games played, while Kerry Palmer won the door prize. Doug received many nice gifts.

Mr. and Mrs. Bud Caid and family of Houghton Lake spent the weekend with his mother, Mrs. Ruth Caid. The Vic Papendick's have named their new baby daughter Melanie Ann. The little lady was born April 10th.

46 Years Ago
April 22, 1937
Mr. and Mrs. Holger D. Hanson were among those who saw the Tigers in their opening game Tuesday.

Mr. and Mrs. William Wythe of Holly spent the weekend here. Kenneth Gothro is working at the Forestry at Houghton Lake for a few weeks.

Harley Kennedy of Waters, caretaker of Heart Lake Club, was a Grayling visitor Monday.

Miss Grace and Milford Parker of Lansing were weekend guests of their mother, Mrs. Herbert Parker.

Mrs. George Daniels (Helen May) is spending a few days in Big Rapids visiting her husband who has employment there.

Misses Josephine Nichols, Eleanor Tumath, and Margaret Douglas, Miss Ina Conboy visited at her home in Cheboygan.

Mr. and Mrs. Roy Wolcott, Mrs. Alva Stephan and Betty Miller motored to Saginaw Sunday to

spend the day with relatives. Betty remained in Saginaw for an indefinite stay.

Mr. and Mrs. Carl Hanson and Mr. and Mrs. Menno Corwin spent Friday in Saginaw. They visited Miss Irene McKay.

News has been received of the birth of a 5½ pound daughter, Barbara Lee, to Mr. and Mrs. Robert Bensinger (Ellen Gothro) of Lansing, Sunday morning.

Many Grayling baseball fans, including Arthur May, Gordon Pond, James Post, A.J. Joseph, Alfred Hanson, Harold MacNeven and Clarence Johnson attended the opening game of the Tigers playing the Cleveland Indians, Tuesday.

A group of friends dropping in on Mrs. Algot Johnson Sunday to help her enjoy her birthday. Games were played and those receiving high scores were Mrs. Hagman, Mrs. Wahlstrom, Mrs. H. Hanson and Mr. Anderson. A delicious lunch was served by the hosts.

69 Years Ago
April 23, 1914

On Wednesday evening at Frederic, a farewell party was given for Mr. and Mrs. Robert Leng.

Shirlaw Dyer, who has been an efficient employee in this office several years, has resigned his position necessitated because of eye trouble, and has joined the Conrad Sorenson painting crew.

William Woodfiend celebrated his sixty-third birthday Friday. About thirty of his friends came to surprise him and help him celebrate his birthday anniversary.

Miss Carrie Jorgenson commenced her duties in the post office Monday morning. Jess Sales is the new clerk at the New Russell Hotel, Philip Van Patten having resigned his position.

On the 27th of the month Thos. Cassidy will break ground for a new three-story addition, 24 by 56 feet, with a basement, for his Model bakery. This is the third addition that has been made in this plant in five years.

Olaf Sorenson & Sons have made an improvement in their establishment by the re-decorating of the interior. The work was done by Waldemar Jensen and his force of painters.

Born on Monday, April 20, to Mr. and Mrs. Chris Hoesli, a fine baby boy.

Clyde Wilks of Elmira, Mich., a recent graduate of the Ferris Institute is now employed as stenographer and bookkeeper for Drs. Insley and Keyport.

Miss Olga Peterson arrived on Tuesday for a week's visit with her parents, Mr. and Mrs. H. Peterson. Miss Olga is employed in the Newcomb-Endicott department store in the city of Detroit.

The Bible Speaks

From Calvary Baptist Church

Christian Love
Toward our Enemies

Romans 12:17-21

The Bible lays down the principles for a Christian to live with his enemy in personal daily relationships.

1. Christian love makes us honest toward our enemy. We are not to take advantage of people just because we have opportunity to "get even". "Recompense to no man evil for evil. Provide things honest in the sight of all men." Romans 12:17.

2. Christian love makes us peaceable toward our enemy. "If it be possible, as much as lieth in you, live peaceably with all men." Romans 12:18. Notice that qualifications are necessary for this. "If it be possible", reminds us that at times it will not be possible. "As much as lieth in you" reminds us of the personal limitations. While God expects us to fight immorality, atheism, and false religion within our society, he does not want us to fight people.

3. Christian love takes away all vengeance toward our enemy. "Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord." Romans 12:19. Vengeance is always a divine matter. God has 3 institutions to carry out Vengeance: 1) the home in child discipline; 2) the church in member discipline; and 3) the state in citizen discipline or punishment for civil wrong, and national

defense against outside aggression.

4. Christian love shows compassion on the enemy. "Therefore if thine enemy hunger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of fire on his head." Romans 12:20. Christian love does not desire physical hunger or harm to atheists, socialists, cultists and other extreme enemies of our faith and our country while they live as our neighbors in America. When we show compassion for their physical needs, we show them that we care about their other needs also, even though we are enemies of their principles and philosophies.

5. Christian love opposes evil by exercising good. "Be not overcome of evil, but overcome evil with good." Romans 12:21. We must do good even when it causes pain. The surgical removal of a cancer may cause pain to the body, yet the overall motivation and goal of the surgeon is good health for the body.

Christian love always attempts to meet the needs of a personal enemy, and win him as a friend. (adv.)

Bits O'Talk

by Fay Bovee

The Crawford Roscommon Ostomy Association met Sunday afternoon at the Northern National Bank in Grayling. William Gilbert of Cadillac spoke on "When your patient needs help at home," a very informative presentation. The next meeting will be on Sunday, May 15, from 2 to 5 o'clock at the Northern National Bank. Dr. Gosling of Grayling will be the speaker. Ostomates and their friends are most welcome to attend.

Mr. and Mrs. Albert of Markby of Santa Barbara, California were guests of John LaMotte last Tuesday. Mr. and Mrs. Charles Denton and Linda visited their son Keith in Savannah, Georgia at the Hunter A.A.F. base over the Easter break.

Chester & Evelyn Lozon will be celebrating their golden wedding anniversary on Saturday, April 30 with an Open House at their home from 2:00 - 4:00 p.m. for their friends, neighbors & relatives.

Donald Bentley spent eleven days in Lansing, visiting his friend, Kevin Campbell, son of Mr. and Mrs. Donald Campbell formerly of Grayling. On April 15th he drove to Big Rapids to visit his sister Donelle at F.S.C. for little brother, little sister day. He returned home Sunday with Joan and Joyce Stevens who visited their sister Jean at the college also.

The Grayling Senior Class is sponsoring a Spaghetti Dinner on April 25, 1983, from 5:00 p.m. to 7:00 p.m. at Masonic Temple. Cost is \$2.50 per person.

Mr. and Mrs. Richard Miller of Bad Axe were overnight guests of her brother, the Sandy Thompsons on Wednesday.

Pat Thompson and children, Bridget & Casey of Saginaw visited his parents, the Sandy Thompsons & brother, the Randy Thompsons this past weekend.

Hospital News

The following were among those admitted to Mercy Hospital during the past week: John Roberts and Garth Allen of Roscommon, Jeff Smith, Isabelle Allison, Julie Fagan, and Violet Bradburn of Grayling.

Those discharged were: Pearl Parish of Roscommon and Therese Wakeley, and Jeff Smith of Grayling.

Michael & Jeanette Bell of St. Helen announce the birth of their baby girl, Danielle, born on April 12, 1983. She weighed 7 lbs. 15 1/2 ozs.

Joe & Terri Wakeley of Grayling announce the birth of their baby girl, Emily Elizabeth, born on April 9, 1983. She weighed 8 lbs. 7 1/2 ozs.

Mike & Dale Black of Johannesburg announce the birth of their baby girl, Deborah Marie on April 12, 1983. She weighed 6 lbs. 9 ozs.

Alan & Julie Fagan of Grayling announce the birth of their baby girl, Monique Marie on April 14, 1983. She weighed 9 lbs. 6 1/2 ozs.

John and Gail Failing are

5 Crawford Co. Avalanche

Thurs., April 21, 1983

CARD OF THANKS

We would like to take this opportunity to thank all the nurses and staff in the Critical Care Unit and Second Floor South at Mercy Hospital.

Our very special thanks to Dr. Langdon, Dr. Ramaswamy, Rev. Smith, Rev. Evey and Mel Smith from Sorenson's Funeral Home.

A special thank you to all our friends and relatives and to the ladies of Free

Methodist Church for the lovely lunch after the funeral.

God Bless You,

Family of Bernice Madsen

Last Travelogue Thursday Grayling Series Ends With the Mississippi

The final travelogue of the season will be shown at the Joseph Stripe Auditorium this Thursday evening, April 21 beginning at 7:30 p.m. Price of admission is \$2.50 and tickets will be available at the door. The Grayling Travelogue Series is sponsored locally by the Crawford AuSable School District.

Appearing as the lecturer for this final travelogue of the season will be Willis Butler. Mr. Butler is consistently rated as one of America's most popular speakers, season after season. He has been making professional motion pictures since 1953 - many for prominent organizations such as Northwest Orient Airlines and NBC. He appears regularly for the National Geographic Society, the Carnegie Institute of Pittsburgh and other leading film series.

As a youngster, Willis Butler spent parts of many summers in a small Mississippi river town in Kentucky. He remembers firsthand the floods, cotton fields, the dance boats and the sounds of the paddlewheels and steamboat whistles - the whole romance of the river. His goal is to bring this nostalgia alive today for his audience across North America.

The film travels from the source of the Mississippi to the Gulf. Visit St. Paul, LaCrosse, Davenport, St. Louis, Hannibal, Natchez, Memphis and New Orleans. See southern mansions, as well as the great industrial buildings along the way. Experience reminders of the Civil War hear the excitement in the native American jazz music in New Orleans. Take a cruise aboard the 27 million dollar Mississippi Queen - launched in 1976 and the most spectacular paddlewheel vessel ever built.

Here is all the best that the Mighty Mississippi has to offer. Take a journey back into America's past and into its future guided by an interesting articulate guide, Willis Butler.

BETTER SAFE THAN SORRY SCHOOLS IN-DRIVE CAREFULLY

Frederic News

by Eva Hulbert

Senior Citizens, at the Center, Thursday at 5:15. Movie on Mexico, Texas and Rio Grande presented by Elmer Fenton. If you like to make it for dinner, on the menu is Salisbury steak.

April 27th, Dr. Walters, on Colitis and Colon Cancer at 1:30.

The local American Legion Post 106 are again to adopt a mother for a Mother's Day treat. If you are interested, please sign up in the office at the center. The ladies last year had a ball. My thanks to the gents for a thoughtful ideal.

Congratulations to the newlyweds Ken and Linda (Goddard) Newberry who were married Saturday, April 16, 1983.

Congratulations to Chris and Wendy Weaver on their new daughter, Emily Marie.

Stop over guest at Mr. and Mrs. Walter Desnoyers were his niece Carol Gottschling of Roseville and her friend Ellie Cuzzaria of St. Clara Shores. They were here to attend the TOPS Convention in Traverse City for the weekend.

Sportsman Club meeting for May 4th. All interested parties please plan to attend. Information 348-9410.

The Citizen Committee of Frederic and Maple Forest still meet at the Town Hall Thursday at 7 p.m. May 1st Dedication of the new Fire Hall. Had a sneak preview of the inside of the building, the firemen are doing a fantastic job. So mark your calendar for Sunday, May 1, family outing. More information in paper.

Don't forget to set your clock ahead this coming Saturday.

Welcome home Mr. and Mrs. David Bearss.

Assembly Held

Fine spiritual instruction presented in the form of talks, demonstrations and experiences was enjoyed by 1500 Jehovah's Witnesses at their semi-annual Christian Assembly at the Holt, Michigan Assembly Hall on April 16 and 17. Delegates from the Grayling congregation were present.

One highlight of the Christian gathering was the public address by Mr. E.L. Manfredi from the World Headquarters of Jehovah's Witnesses, Brooklyn, New York. Mr. Manfredi spoke on the theme, "Is This World Doomed to Ruin?" Mr. Manfredi showed that "The Threat is not from Man, but from God."

Another highlight was the public baptism of 19 newly dedicated Witnesses of Jehovah.

Girl Scout Leader's Day

Thousands of men and women across the country will be honored April 22 on Girl Scout Leader's Day.

Mitten Bay Girl Scout Council urges girls, their families, and their communities to join this nationwide effort in recognizing and honoring these important volunteer leaders.

Girl Scout leaders help girls and young women find a new world through Girl Scouting - a world of enthusiasm, discovery, and adventure.

In Grayling, the Mitten Bay G.S. Council will be represented at the Volunteer Fun Day, April 23rd at the Middle School. There will be information on the world of Girl Scouting and local leaders to answer your questions.

The Girl Scout leaders & co-leaders in this area are: No. 2127 Barbie Brooks, Lillian Wolf, Stella Johnson; No. 2047 Wanda Lingle. For Brownie Troops No. 2009 Linda Lobsinger, Carla Jean Gingerick; No. 2125 Glenda Sampsel, Dee Mleek; No. 2103 Joy Bobenmoyer, Bonnie Knight; No. 2014 Heidi Svensen; No. 2016 Janet Gilman, Pat Petrie; No. 2143 Jackie Parker, Kathy Gray, Debbie Fedewa, Susan Kulick, Kary Moshier, Linda McClellan. We thank them for the successful growth of volunteer services for Girl Scouting in this area.

Open House

The public is invited to an open house at M & M Enterprises, 9 to 4 Wednesday, April 20, at the Ted McEvers State Farm building along M-72 East. Ribboncutting ceremonies will be at 4:30 with a presentation at 7 p.m. at the Chief Shopenagon's Hotel.

The New Dream

By Rev. Thomas A. Bruno
 Minister of
 The Congregational Church
 Roscommon

Rev. Thomas A. Bruno will be speaking at the Grayling Masonic Temple, Thursday, April 21st at 7:30 p.m. His topic will be "Shroud of Turin".

"Tomorrow has been cancelled because of lack of interest." That was written on a button I saw at the Roscommon County Fair. How about you? Does your present have a future? Is it going anywhere?

Israel was in the wilderness with their leader Moses when God commanded them to gather each day as much manna as each person could eat. Some, I am sure, gathered greedily, thinking they would have a lot left over. Some gathered a smaller amount. Interestingly enough, when it was all measured, it is recorded that he that "gathered much had nothing over, and he that gathered little had no lack..."

Those who gathered "greedily" thought that their present had a future, but it did not. In fact, there is not much future in the accumulation of things and that is pretty difficult for us to accept or understand at times, especially when we have a society hitting us over the head with an opposite message. There are times when I think that we are at the crossroads in our society because we have sold ourselves the idea that accumulation of power, of goods is the real answer to our happiness.

To put it more candidly, we have traded in the American dream for the accumulation of things.

Of the many, many funerals I have conducted, in spite of whether a person is rich or famous, wealthy or poor, I have never seen them have the opportunity to take it with them. A U-haul has never accompanied a hearse. There has never been a luggage rack on the hearse for the deceased's possessions. The Egyptians thought they COULD take it with them and prepared in their tombs items for the other side of life. The items, however, are still in their tombs, untouched and intact.

The only tomorrow that has a future is the one which places its trust in a personage of God. He holds the future in His hands for He is the future and NONE OF HIS TOMORROWS ARE UNFORBIDABLE.

Jesus is the "same yesterday, today and tomorrow." Hebrews 13:8.

Senior Citizens Center

Special Trips & Events
During the month of April, we invite everyone to nominate a Crawford County Senior Citizen to be the 1983 Outstanding Senior Citizen. Get a picture and write a few paragraphs about this person and bring it into the Center. We plan to put the pictures and an article in the Avalanche all during the month of May with ballots to vote on during June. July 4th the winner and three runners-up will be on our parade float and presented to the community. On August 4th, they will be crowned at the street dance and presented with a \$25.00 Gift Certificate. Think...look around you and find the Senior Citizen which you feel will best represent our community.

Rummage Sale - May 4, 5, & 6 from 9:00 a.m. until 4:30 p.m. at the garage at the Center, 308 Lawndale. This is Agnes' Boutique. Some good buys, lots of nice things. As you clean your closets for spring, think of us. Either drop the boxes off here anytime or call 348-9314 for pick up.

St. Lawrence River Cruise July 16 - 23. Montreal to New York via St. Lawrence River and Eastern U.S. Seaboard. \$789.00 per person includes air travel, meals, transfers, entertainment, tax, etc. Sign up now!

Facts of Law by

Alton T. Davis, PC
Attorneys & Counsellors at Law

If one party to a contract innocently makes a false statement, not intending to deceive, the contract is generally held to be binding.

Roman law under Emperor Augustus decreed that all men under 60 and all women under 50 had to be married.

The U.S. Supreme Court has held that census records are to be kept confidential. The Census Bureau may not release addresses to state or local authorities.

An old Minnesota law says that men's and women's underwear must not be hung on the same clothesline at the same time!

DIVORCE is a suit to dissolve a valid marriage. An **ANNULMENT** action seeks a declaration that no valid marriage ever took place between the two parties.

A question of law? Bring it to Alton T. Davis, 114 Michigan Ave., Ph. 348-5232/348-2960.

'69 Reunion Notice

There will be an organizational meeting for the 15 year reunion of the class of 1969 on Wednesday, April 27, 1983, at 7 p.m. in the basement of the Courthouse.

With Growth Comes Change...

OUR NAME

Because we're growing again, we've changed our name to better reflect the shore to shore market area we now serve.

OUR LOOK

Look for our blue and white symbol of service throughout the lower peninsula, from the southern border to the Straits of Mackinac.

OUR SERVICES

As a result of our growth we have combined our human and capital resources which enables us to provide an even wider array of the financial services necessary to compete in today's environment.

OUR STRENGTH

With our growth has come the added strength of a \$1.5 billion financial institution, the third largest savings and loan in Michigan.

Our name may be different, but our commitment to providing you with friendly, knowledgeable service is still the same.

GREAT LAKES FEDERAL SAVINGS

FORMERLY UNITED FEDERAL SAVINGS

BUILDING SALE DEPT. OF NATURAL RESOURCES STATE OF MICHIGAN

The Department of Natural Resources will be accepting sealed bids for the sale and removal of one (1) 24' x 28', 2 story wood framed upper half, cement block lower half, built in 1970, and located on the NE 1/4 of NE 1/4, Section 32, T26N, R1W, Crawford County.

The successful bidder will be required to remove the building and all contents from the site. The cement block walls and the basement slab must be removed from the site and disposed of in a licensed landfill or as approved by the Department. After the removal of all concrete materials, the area shall be back-bladed as to conform to general contour of surrounding area.

Minimum bid is \$2,000.

A cash or surety performance bond of \$1,000 is required prior to the issuance of the building removal permit.

The Department of Natural Resources reserves the right to reject any or all bids. Sealed bids must be received in the Roscommon Forest Area Office prior to 10:00 a.m., EST, May 20, 1983.

For further information on the sale and removal of the building, contact Donald Torchia, Area Forest Manager, Roscommon Forest Area, P.O. Box 218, 8718 Roscommon Road, Roscommon, Michigan, 48853, phone 517/275-5151.

HOWARD A. TANNER, Director

MIDDLE SCHOOL

Renovate or Replace?

We Must Make A Decision!

A SURVEY WILL BE CONDUCTED MAY 9-13

- 10% of district voters who have voted at least once in the last three years will be surveyed by telephone for their opinions.
- Those who are surveyed will be asked to rank the three options in personal priority order.

THE BOARD WILL CHOOSE AN OPTION

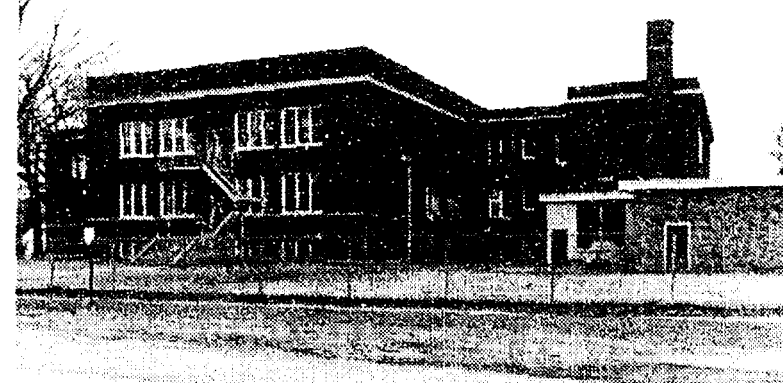

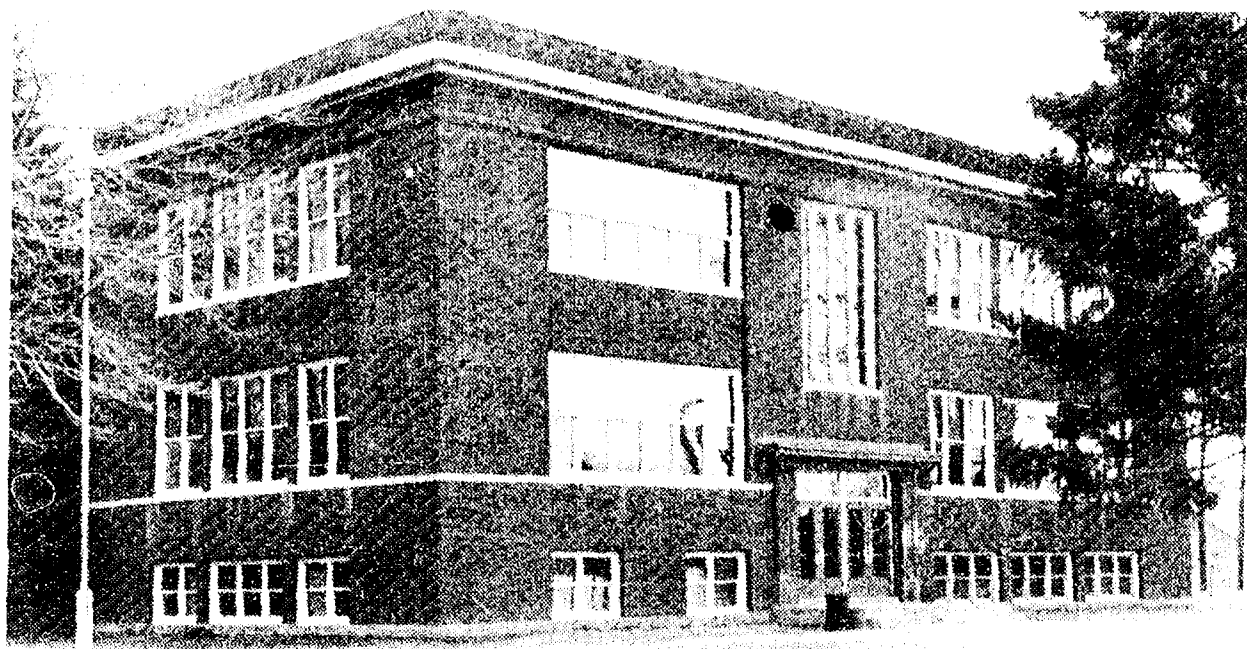

- At a special meeting on May 23 at 7:30 in the high school library, the Board of Education will select one of the options for presentation to the voters.
- The Board will base their decision on:
 - The survey results.
 - Architectural/engineering surveys and studies.
 - Citizen testimony from public hearings and meetings.

5-8 GRADE LEVELS TO BE SERVED WITHIN EACH OPTION

- The combined total capacity of Grayling Elementary School & Frederic Elementary School is 900.
- It is projected that the district's K-5 enrollment will increase to 900 by 1987.
- K-5 enrollments will continue to increase beyond 1987.
- A 5-8 Middle School will insure adequate housing for K-12 students.
- Students in grade 5 within the middle school will be in self-contained classrooms thus maintaining the current 5th grade program.

THE MIDDLE SCHOOL TODAY

- Opened for students K-12 in 1916 at a cost of \$59,000.
- Served as a K-12 building until 1964 when the Grayling Elementary School opened.
- Served as a 7-12 building until 1973 when the present Grayling High School building opened.
- Was renovated in 1955 with science labs, home economics & art rooms created where the old gym was previously located.
- The present gymnasium and band room were constructed in 1955.
- The 1955 renovation and gymnasium construction cost \$292,000.
- Numerous architectural, engineering, educational studies have been conducted over the past 7 years.
- The floors squeak due to repetitive expansion and contraction of floor components causing an intolerable acoustical educational atmosphere.
- The floor planking and stair structures have failed and entire new stair structures are needed.
- Rot is present in roof joists and they must be replaced.
- The roof must be replaced within 5 years.
- The entire mechanical (heating, ventilating, plumbing, electrical) systems has deteriorated, is not efficient and must be replaced.
- Extensive deterioration of the parapet walls exists and presents an immediate hazard.
- Extensive deterioration of the mortar exists and presents an immediate hazard.
- Extensive deterioration of the brick veneer exists and has caused moisture damage to walls.
- The entire site consists of only 3 acres thus not allowing adequate outside space for physical education & play area.
- The building does not comply with barrier free laws for the handicapped.
- Locker room ventilation is inadequate.
- There are no lockers in the locker rooms.
- Excessive amount of non-insulated glass in the gymnasium is not energy efficient.
- Cafeteria space is inadequate.

Crawford AuSable School District

OPTION #1

Renovate Existing Building & Site Projected Cost: \$3,964,345.00

3.57 Mills

A. MIDDLE SCHOOL BUILDING RENOVATIONS

- New boiler and hot water heating system (present boiler is 28 yrs. old)
- New electrical system
- Replace floor systems with metal bar joists with perforated steel deck and lightweight concrete
- New siding outside the building
 - Insulation between brick and new siding
 - Gym tied in with same procedure
 - (Tuck pointing and replacing of old brick is not cost effective - needs regular repainting)
- Replace some window space with insulated glass & cover remaining window space with insulation and new siding outside and walls inside
- Lowered ceilings, new lighting, carpeted floors and a new wall surface
- New interior casework
- New stairwells on the north and east, eliminate central stairwell for classroom space, replace west stairs with steel
- Elevator (must provide according to code unless all services can be on one accessible floor)
- Complete new roof - strip and start over with membrane roof tied into new siding
- Space utilization
 - 22 classrooms of approximately 850 sq. ft.
 - Two science labs
 - Art room, shop and home economics room
 - Administrative and counseling offices
 - Library
 - Appropriate storage and bathrooms
- Site Development
 - 40 x 90 hard surface in courtyard
 - Sidewalks and fencing at curbs
 - Grade 5 playground
 - Sprinkling system and turf development
 - Parking surface

B. NEW ADDITION

- Corridor connecting new stair tower with gym
- Cafeteria - kitchen - storage
 - To feed 300 students per sitting (present cafeteria can only feed 150 students per sitting)
 - To be utilized for grade 5-6 physical education
- Music Room - to replace inadequate, inaccessible, non-expandable present music room

C. GYM RENOVATION

- New siding and insulation to tie in with main building
- New membrane roof tied in to new siding
- Replace some windows with insulated glass and cover remaining windows with insulation, new siding and new wall surfaces
- New heating system tied to new boiler in the main building
- New lighting
- Remove old kitchen and replace with exits
- Convert old kitchen storage to handicapped locker room and shower
- Handicapped lift to gym floor
- Locker Rooms
 - Improved air circulation
 - Dropped ceilings with new lighting
- Lockers
- Remove stage and add bleachers
- Remove portion of mezzanine and add bleachers
- Floor bleachers on south side

D. POSITIVE ASPECTS

- Least expensive of all options
- Maintain a building in town - sentimentality (will not appear as same school)
- Maintain complete separation of middle school students from all other grade levels
- Best utilization of 1955 gym
- Still would have a 1917 shell of wood construction with 30 year projected life (projected life of a new structure is 50 years)
- Three story building is not as safe as a single story
- Some classrooms are of odd shape - long and narrow
- Three acre site does not allow for adequate outside physical education/playground space, must still transport students to the football field for outside physical education. 20 acres is recommended site size
- High school will be underutilized as high school enrollments decline over the next ten years
- Most disruptive of classroom activities during construction phase. Temporary facilities would have to be provided for at least four months during construction
- Cost projections are still ballpark projections as further costly analysis would have to be conducted to provide a close analysis
- Architects/engineers/construction managers do not recommend this option as cost effective

IS THIS A GOOD DECISION?

OPTION #2

New building attached to the high school sharing some high school facilities Projected Cost: \$4,079,350.00

3.67 Mills

A. ATTACHED MIDDLE SCHOOL

- New building attached to corridor near high school shops and drafting room
 - 23 classrooms + two science labs
 - Library
 - Cafeteria/Multipurpose room/kitchen/storage
 - Feeds 300 students at one sitting
 - 5-6 grade physical education
 - Administrative and counseling offices
 - Appropriate storage, bathrooms and teacher workspace
- New 7-8 grade teaching station added to existing high school gym
 - One teaching station on a mezzanine mirroring existing mezzanine
 - New 7-8 grade locker rooms and girls varsity locker rooms under new mezzanine
 - Seating expanded from present capacity of 1700 to capacity of 2400
 - New lobby for gym on parking lot side of gym
- Existing Facilities to be shared
 - Art room
 - Drafting room to be converted into 2nd art room with drafting room relocated to A section of the high school
 - Home economics room
 - Wood shop
 - Band and vocal music rooms
 - Auditorium
- Sitework
 - New physical education fields for grades 6-7-8 with sprinkling system
 - Playground for grade 5
 - Relocation of high school tennis courts
 - Middle school teachers and visitors parking lot
 - Resurface high school parking lot
- Extension of city sewer line as present system at the high school will not handle the middle school and a new system is not cost effective

B. THE EXISTING SITE

- Bus garage will continue in present operation
- A site committee chaired by George Stancil is studying the issue and will prepare a recommendation for the Board for use of the site and gymnasium by June

C. POSITIVE ASPECTS

- Newly constructed, safe, modern facilities will be available for students in grades K-12
- Option #2 is only \$115,000.00 more expensive than the renovation of the 63 year old middle school building
- Superior facilities in the areas of shop, home economics, music, art and physical education will be available
- The high school auditorium will be available for middle school use
- A superior spectator gym with adequate parking will be developed
- Academically advanced middle school students have the resources of the high school readily available: courses, materials, teachers, facilities
- The facility would offer maximum flexibility in scheduling students as enrollments increase at the middle school and decrease at the high school and also allow flexibility and maximum utilization of district facilities if enrollment projections are wrong
- Maximum flexibility in the assignment and rescheduling of teachers is created as middle school and high school teachers would be housed on the site
- Considerably less expensive than a new middle school on a separate site due to the sharing of facilities
- Site allows for adequate space for physical education fields and playground area
- 50 year projected life
- Lower operating costs than a renovation or separate new building
- Non-disruptive to the existing program

D. NEGATIVE ASPECTS

- Building would be out of town necessitating all students to be bused rather than the current 80% of middle school students who are bused
- City sewer line would have to be extended to handle the increased sewage at the site
- 1955 gym will be used only sparingly by the school district
- Grades 5-12 will be housed on the same general site with some mixing of 7-8 grade age groups with high school students in student traffic areas

IS THIS A GOOD DECISION?

BOARD OF EDUCATION IDENTIFIED VIABLE OPTIONS

- Renovate existing building and site.
- Build a new building attached to the high school sharing some high school facilities.
- Build a new building at the present football field site or at the high school site separated from the high school building area.

To be considered a viable option by the Board of Education, the alternatives had to meet the following conditions:

- Projected useful life of at least 30 years.
- Contain an adequate number of classrooms to service projected enrollments.
- Contain adequate facilities for laboratory sciences, library/reference services, industrial arts, home economics, art, computer science, special education, physical education and music education.
- Contain an adequate spectator gymnasium.
- Contain a cafeteria facility to seat a minimum of 300 students per lunch period.
- House 600 students in grades 5-8.

OPTION #3

New Building at the present football field site or at the high school site separated from the high school building area Projected Cost: \$5,089,821.00

4.50 Mills

A. SEPARATE NEW MIDDLE SCHOOL

- Separate new building located at site of present football field in town
- Space in new building
 - 23 classrooms + 2 science labs
 - Library
 - Cafeteria/multipurpose room/kitchen/storage
 - Feed 300 students at one sitting
 - 5-6 grade physical education
 - Administrative and counseling offices
 - Appropriate storage, bathrooms and teacher workspace
 - Gymnasium/locker rooms/storage - for 7-8 physical education only
 - Art room
 - General shop
 - Music room
 - Home economics room
- Sitework
 - Physical education fields for grades 6-7-8
 - Playground for grade 5
 - 12.5 acres available for building + fields
- No sharing of facilities with the elementary school would be possible or appropriate

B. THE EXISTING SITE

- Demolition of old middle school and sitework at town site
- Bus garage will continue in present operation
- Renovation of existing gymnasium
 - New membrane roof
 - Remove old kitchen and replace it with exits
- Locker rooms
 - Improved air circulation
 - Dropped ceilings with new lighting
- Lockers
- Remove stage and add bleachers
- Remove portion of mezzanine and add bleachers
- Floor bleachers on south side

C. POSITIVE ASPECTS

- Newly constructed, safe, modern facilities will be available for students in grades K-12
- Superior facilities in the areas of shop, home economics, music, art and physical education will be available
- A superior spectator gym will be created
- Site allows for more physical education field & playground space than renovation option
- 50 year project life
- Maintain some separation of middle school students from all other students
 - If at high school site, more flexibility is offered with assignment and scheduling of teachers with the high school available within a short walking distance
 - If at high school site, academically advanced students have the resources of the high school available with a short walking distance: courses, materials, teachers facilities
- If at elementary school site, academically advanced elementary students have the resources of the middle school available with a short walking distance: courses, materials, teaching facilities
- Non-disruptive to the existing program

D. NEGATIVE ASPECTS

- Most costly option by a considerable margin
- 1955 gym would not be fully utilized by the school district
- High school will be under utilized as high school enrollments decline over the next 10 years
- The football field must be relocated
- If at football site, grades K-8 will be housed on the same general site with some mixing of age groups

IS THIS A GOOD DECISION?

COMMUNITY MEETINGS AND PUBLIC HEARINGS

- The meetings and public hearings listed below have been scheduled to provide information regarding the issue to the public.
 - Testimony at all meetings will be recorded and reported to the Board of Education.
 - All meetings are open to the public, will begin with a slide presentation and a disbursement of facts and information with time provided for questions and answers and testimony.
- Tuesday, April 26, 9:30 a.m. - Information meeting and tour, middle school, room 7
7:00 p.m. - Public hearing, middle school library
- Wednesday, April 27, 9:00 a.m. - Information meeting, Frederic Elementary School
1:30 p.m. - Informational meeting and tour, middle school, Room 3
7:00 p.m. - Public hearing, Frederic Elementary School

- Thursday, April 28, 2:00 p.m. - Informational meeting, Frederic Elementary School
7:00 p.m. - Public hearing, middle school library
- Monday, May 2, 1:30 p.m. - Informational meeting and tour, middle school, Room 3
Wednesday, May 4, 9:30 a.m. - Informational meeting and tour, middle school, Room 7
8:00 p.m. - Presentation at Grayling Youth Booster Club meeting, Hotel Shoppenagon
- Monday, May 9, 7:30 p.m. - Presentation at Beaver Creek Township meeting
Tuesday, May 10, 7:30 p.m. - Presentation at Frederic Township meeting
8:30 p.m. - Presentation at Grayling Township meeting
- Thursday, May 19, 7:30 p.m. - Maple Forest Township meeting presentation
- ADDITIONAL MEETINGS WILL BE ANNOUNCED IN NEXT WEEK'S PAPER

Par For The Course

by Fay Bovee

A large and enthusiastic crowd of golfers, non-golfers, and guests, attended the April 15 Opening Happy Hour at the Grayling Country Club. In spite of snow flurries they turned out in record numbers to greet the new manager, Gordon Cheyne, his assistant, Sherry Cadeau, and Susan Wardell, former employee of the club.

The hors d'oeuvres tables were attractively set with fresh pineapples and cheese trays and contained delicious vegetables, dips, meatballs, and crackers.

One regular and faithful employee, Ken Jackson, will not be working this summer in order to regain his health. The board has made him an honorary member so we expect he'll have more time for putting, instead of cutting, the greens.

The course itself is in good condition. There seems to be the usual winter kill but a few warm spring rains will help that.

Two members have cooperated to enhance the course, Rudy Martinez, who routed out the new tee markers, and Jim Parkinson, who framed them. It makes a great addition to the course. Thanks, fellows.

The new president, Bob Schwarz, and his board, are working hard to make this a good season.

Plans for the "Spring Fling" are well underway for Saturday, April 30. Tina Kennedy will be playing the organ for your listening and dancing pleasure. The capacity of the club limits tickets, ticket sales seem to be going well; so if you have not been contacted, please leave your name at the club with Gordon. We sincerely hope to accommodate everyone that wants to attend.

The Women's Auxiliary issues an invitation to all women members to come join the Wednesday morning leagues. Any new members would be more than welcome. The organizational meeting will be held the fourth Tuesday of the month, April 26, 1983, at 7 p.m. at the clubhouse, according to Donna Pottorff, president. The deadline date for signing up is Friday, May 6, with Wednesday play starting on May 11. That will be a Fun Day as the committee will be setting up regularly scheduled play for May 18. Anyone wanting information or to sign up, please call Phyllis Stewart 348-7383 or Nora Fraser 348-5046.

Memorial Donation

The family of the late John Libcke wishes that anyone who would like to make any memorial donations for Mr. Libcke make them to St. John Lutheran Church, Grayling.

Bits O'Talk

by Fay Bovee

The Gerry Larson family and their exchange student Ikuyo Inoue spent a few days in Washington, D.C. area during their Easter break. Among the attractions that they visited were the Capitol Building, the Washington Monument, the White House, the Jefferson and Lincoln Memorials, Arlington Cemetery, and the Smithsonian Institute's Air and Space Museum. While at the White House they saw President Reagan's helicopter land on the lawn as he was returning from his Pittsburgh talk. Enroute to the capital they visited in Warren, Ohio, to see Ken and Cindy Larson Kester's new twins, Shannon Renae and Ronald Michael James. Enroute home they visited Jerry's uncle, the Nelson Vollmers in Dearborn, and a friend of Ikuyo's in Redford.

Mr. and Mrs. Melvin Nun, Patrick and Paula, returned on Wednesday from St. Louis, Mo., where he attended the National Elementary and Middle School Principal's Association convention. Among the featured speakers at the convention were Shirley Chisholm and Dr. Jonas Salk, the children enjoyed Ms. Chisholm's talk. While Pat attended the meetings, the family visited the Arch and Museum, the Spaghetti Factory, the Civic Center and the St. Louis Zoo. Before arriving in St. Louis, the Nunn's had visited her mother and husband, Mr. and Mrs. Harry Erickson in North Carolina.

Food For Healthy Living

The M.S.U. Cooperative Extension Service is sponsoring a workshop to address three major diet issues, low sugar, low sodium, and low cholesterol.

Many individuals are required to restrict intakes of these foods and we would like to help make this task easier for you.

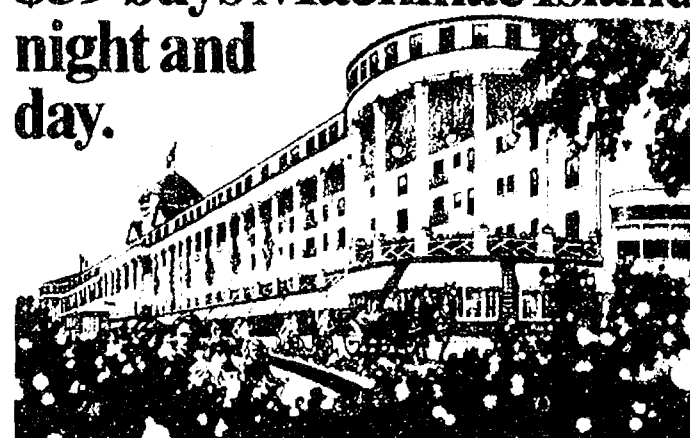

Penny Ross, Foods and Nutrition specialist from Michigan State University will be conducting these sessions with help from Pam Kail and Gail Edwards, Home Economists. Please join us for a day of tasting, talking and learning how to identify problems and ways to overcome them.

The program is on April 26, Tuesday, from 10:00 a.m. to 2:30 p.m. in the basement of the courthouse in Grayling. A small fee to cover materials and snacks is payable upon registration. To pre-register please call the Cooperative Extension Service at 275-5043 or 348-2841 extension 284.

Notice

To all men, there will be Men's Basketball Thursday night, April 21st at the Middle School.

\$59 buys Mackinac Island night and day.

At the Grand Hotel, no less. That's right. On selected dates, live like a millionaire at our incredible once-in-a-lifetime get-acquainted price.

For only \$59 per person, per night (double occupancy), you can experience Grand Hotel. Enjoy a fabulous gourmet dinner, dancing in our nightclub and lodging that evening. The following morning, help yourself to coffee in our Lobby. All gratuities and baggage handling charges are included. The only extra is state sales tax.

Make plans now. Mackinac is perfect in spring — sunny, not too hot, not too cold. You can view a unique and memorable world of charm, history and natural beauty on an island free from automobiles.

(Only sixteen dates available at this incredible price — May 12, 14, 15, 16, 17, 25, 30, 31, June 1, 2, 5, 8, 9, 12, 13, 14.)

Hurry.

Michigan Mirror

Businesses Pessimistic On Economic Outlook

Warren M. Hoyt, Executive Director, MPA

President Reagan's economic recovery programs have been of little help in the depressed Michigan and northern Ohio areas, and small business failures in the region will exceed the national average, say business leaders surveyed by pollsters Touche Ross.

A Touche Ross survey of businesses in the sunbelt last year showed substantial support for the president's economic program, but Philip W. Jennings, a partner in the company's Lansing office said the survey revealed that businessmen in the area have become disenchanted with supply side economics.

In the survey of executives at 1,042 small and medium-sized businesses, 78 percent said the president's supply side economic philosophy has not benefited their companies and 32 percent of those do not ever expect to benefit.

The single largest group of businesses surveyed (21 percent) were non-auto related manufacturing, followed by retail (19 percent), auto related manufacturing (15 percent), service (14 percent) and construction (11 percent).

Less than half (46 percent) of the executives said the 1981 Economic Recovery Act has helped their companies, chiefly because of changed tax rates and accelerated cost recovery, and 33 percent expect no effect from the 1982 Tax Equity and Fiscal Responsibility Act while 50 percent anticipate only a moderate effect.

About 73 percent of the Michigan executives and 54 percent of the Ohio executives expect small business failures in their states to exceed national figures.

The businesses (86 percent) were in Michigan's Lower Peninsula; 14 percent in northern Ohio want more help from their state governments.

About 80 percent of the Michigan businesses surveyed said further

changes in worker's compensation law would be a significant factor in spurring economic recovery and 73 percent said businesses cited the need for unemployment compensation changes and 55 percent said business tax changes would be of significant help.

The economic recovery will begin sometime in the next 12 months, said 37 percent of the executives, but with 70 percent of the businesses seeing only a gradual upturn in the economy extending beyond one year, 66 percent said they would curtail capital expenditures during the next year and 68 percent said they would not increase their labor force in the foreseeable future.

Schedule Set To Release Deferred Payments

Schools, local governments, colleges and universities will get, by June 30, 85 percent of the state payments due them up to that point, including funds withheld from the last fiscal year, under a payment plan recently announced by state Treasurer Robert Bowman.

Except for about \$70 million released to particularly hard-pressed governments, the state has not made any payments in 1983, deferring about \$500 million because of its own cash problems.

The schedule calls for the release of \$416 million on April 18, another \$299 million on May 23 and an additional \$296 million on June 30, or about 85 percent due by that date.

Bowman said the remaining 15 percent, or \$338 million, will be repaid over the next three months so by September 30, governments and educational institutions will have received all their appropriate funds.

Bowman said the payout plan represents "the most the state could do at this time." He added the payment plan is possible only because of the tax hike amount and timing approved by the Legislature last month.

Doodles From The Tall Timber

Wendell L. Hoover
Park Interpreter

The killdeer were back in the fields and other open areas, but the recent intervention of winter drove them temporarily out.

The Killdeer Plover prefers open areas, nesting on beaches, in plowed fields, and in meadows. Its nest is not really a nest but rather a very slight depression in the ground which may be unlined or lined with pebbles, wood chips or grass. Interestingly, nests have been found on rooftops fifty feet above ground and between the ties of railroad tracks which were in use. Apparently the availability of suitable ground cover such as gravel, cinders, stones and rubble to provide camouflage for eggs and young is the determining factor in choice of habitat. The usual four eggs have no gloss and are in shades of buff with bold black or brown spots, scrawls and blotches. They are extremely hard to see even if you know a nest is nearby. The adult birds show great excitement when their territory is invaded and often lead the intruder away by simulating injury.

The killdeer feeds on mosquitoes, flies, grasshoppers, flea beetles, ticks, armyworms, weevils and caterpillars; thus, it may be considered to be beneficial to man and his animals. Their return for the upcoming insect season will be most welcome.

Time To Plant Trees

The month of April only, the Crawford-Roscommon Soil Conservation District will be promoting tree planting for reforestation, wildlife, erosion control, windbreaks, beautification and/or Christmas trees.

Species in the program for 1983 are red and white pine; blue, Norway and white spruce; and autumn olive, a wildlife shrub. These 2-year old 5-10 inch seedlings are available at a nominal cost to local landowners.

A packet of shrub seedlings for forest-wildlife management contains 50 silky dogwood, 50 honeysuckle, 50 Siberian crab and 50 white spruce is available; along with a songbird packet of tree seedlings containing 50 white cedar, 50 Mt. Ash, 50 Washington hawthorn and 50 Norway spruce.

Call our office today (517-275-5231); or stop in at the Centre Building, 409 Lake Street, Roscommon for further details.

IN MEMORIAM

He little thought when leaving home,
He would return no more,
That he in death so soon would sleep,
And leave us here to mourn.
We do not know what pain he bore,
We did not see him die,
We only know he passed away,
And could not say goodbye.

Sadly missed by
The Family of Donald Hale

Radar Operator Training Course at Kirtland

Kirtland Community College will be offering a repeat of the Certified Radar Operator Training Course on Friday, April 22nd, and Friday, May 20th.

Officers must preregister for this course by calling 517-275-5121, ext. 283.

Services Held For Katherine Berger, 92

Katherine E. Berger, 92, former Grayling and Roscommon resident, passed away at Beverly Manor in Novi on Monday, April 11, 1983.

Funeral services were held at 11:00 a.m. on Thursday, April 14, 1983, at St. Michaels Catholic Church in Roscommon. Burial was in Pioneer.

She is survived by two sons, George and Otto, both of Detroit, one daughter of Highland, four grandchildren and nine great grandchildren.

CARD OF THANKS

Thanks very much to all the people that remembered me on my 96th birthday with party, presents, and cards. Thanks very much.

Edith Johnson

A MONEY SAVING IDEA FROM CITIZENS

that can save more than just money...

Everyone knows household smoke and burglar alarms help save lives and property. Now they can help save money, too, on your homeowners insurance.

Citizens Insurance Company of America can help you save from 3 to 5 percent on your homeowners insurance simply for installing U/L approved smoke and burglar alarms.

Call your local Citizens Agent today. He can show you how to get the most for your homeowners insurance dollar.

Chamber Chatter

By Joyce Kolka

The new county maps are available at the Chamber Office. Since there were no costs defrayed by advertising, the Chamber Board of Directors has asked that a charge of 25 cents per map be assessed.

Another handout in preparation is the advertising-information booklet. In the near future a representative will be calling on Grayling businesses to solicit ads for the publication. It is our hope that business persons interested in advertising in that booklet will call the Chamber Office. The purpose is to establish a prospect list for the ad representative.

It is expected that 20,000 of the booklets will be produced. Many of these will be placed in rest stops and handed out at outdoor exhibits.

The Executive Committee has approved the reinstatement of planned color tours this fall. Tentative plans call for conducting the tours in conjunction with the Crawford County Dial-A-Ride. The present thinking is that individuals might either take the bus on its tour or that they can follow the bus. The bus would stop at the various sites selected and all persons would gather to listen to the discussion of the site and its vegetation.

A Mushroom Festival has also been approved for the spring of 1984. It was decided that it would be too late to plan it for this year.

Badges for the April 30 - May 1 Trout-A-Rama Fishing Contest are now on sale at businesses in Grayling, Skips Sport Shop and at the Chamber Office. Headquarters for the contest will be at Skip's where the brooks or brown trout may be measured, weighed and entered in the contest.

This week we would like to salute Judy Gibbons. She with her husband Tom are the proprietors of Weaver's Gifts Shop on Michigan Avenue. Judy is on the Chamber Board of Directors and is President of the newly organized Grayling Promotional Association. She is also Co-Chairman with Sherry Hanson of the Grayling Beautification Committee who is doing an excellent job on making Grayling an attractive community in which to visit and live.

Judy truly is a community minded lady!!!

CALENDAR OF EVENTS

April 21 - Secretary's Luncheon - 12:00 Noon - Holiday Inn of Grayling.
April 23 - Volunteer Fun Day - 10:00 a.m. to 6:00 p.m. - Middle School Gym - By Sibs for Kids.
April 23 - Las Vegas Night - at Hanson Hills
April 29 - "Taming of the Shrew" - 7:30 p.m. - Holiday Inn - By Business and Professional Women.

Crawford AuSable School District April Monthly Calendar

4/25 - Nursery School visiting the Grayling Elementary School.
4/26 - Day Care visiting the Grayling Elementary School.
4/28 - Stamp Day at the Grayling Elementary School.
Week of 4/25-29 - California Achievement Test given at the Grayling Elementary School.

Your Week Ahead Horoscope

Forecast Period: 4/24 - 4/30/83

ARIES
Mar. 21-Apr. 19
Dealing with another's finances or assets could prove to be quite stressful. Explain the situation as clearly as possible.

TAURUS
Apr. 20-May 20
The full moon on Wednesday brings some highly emotional word exchanges. Let common sense prevail.

GEMINI
May 21-June 20
Strange happenings set the stage for an interesting chapter in the mystery of life. Follow events closely.

CANCER
June 21-July 22
Aspects are favorable for cementing ties of affection and friendship. One in particular would like to enter your circle.

LEO
July 23-Aug. 22
Avoid personality clashes with people in your career or domestic environment. Emotional outbursts make things uncomfortable.

VIRGO
Aug. 23-Sept. 22
Be prepared to make a long-range decision concerning a family member. Weigh the matter from both sides.

LIBRA
Sept. 23-Oct. 22
Keep your financial affairs in proper perspective. Look for an additional source of income to add to the family coffers.

SCORPIO
Oct. 23-Nov. 21
Listen to one who is older and wiser. What seems to be harsh words is really some pretty sound advice.

SAGITTARIUS
Nov. 22-Dec. 21
Take time to visit a shut-in. Catch up on loose ends and left-over work. Clear the slate and be ready for busy days ahead.

CAPRICORN
Dec. 22-Jan. 19
A romantic interest comes into your life—possibly a rekindling of a love from by-gone days.

AQUARIUS
Jan. 20-Feb. 18
You have strong feelings about a family or property matter, and you're not at all inclined to keep quiet about it.

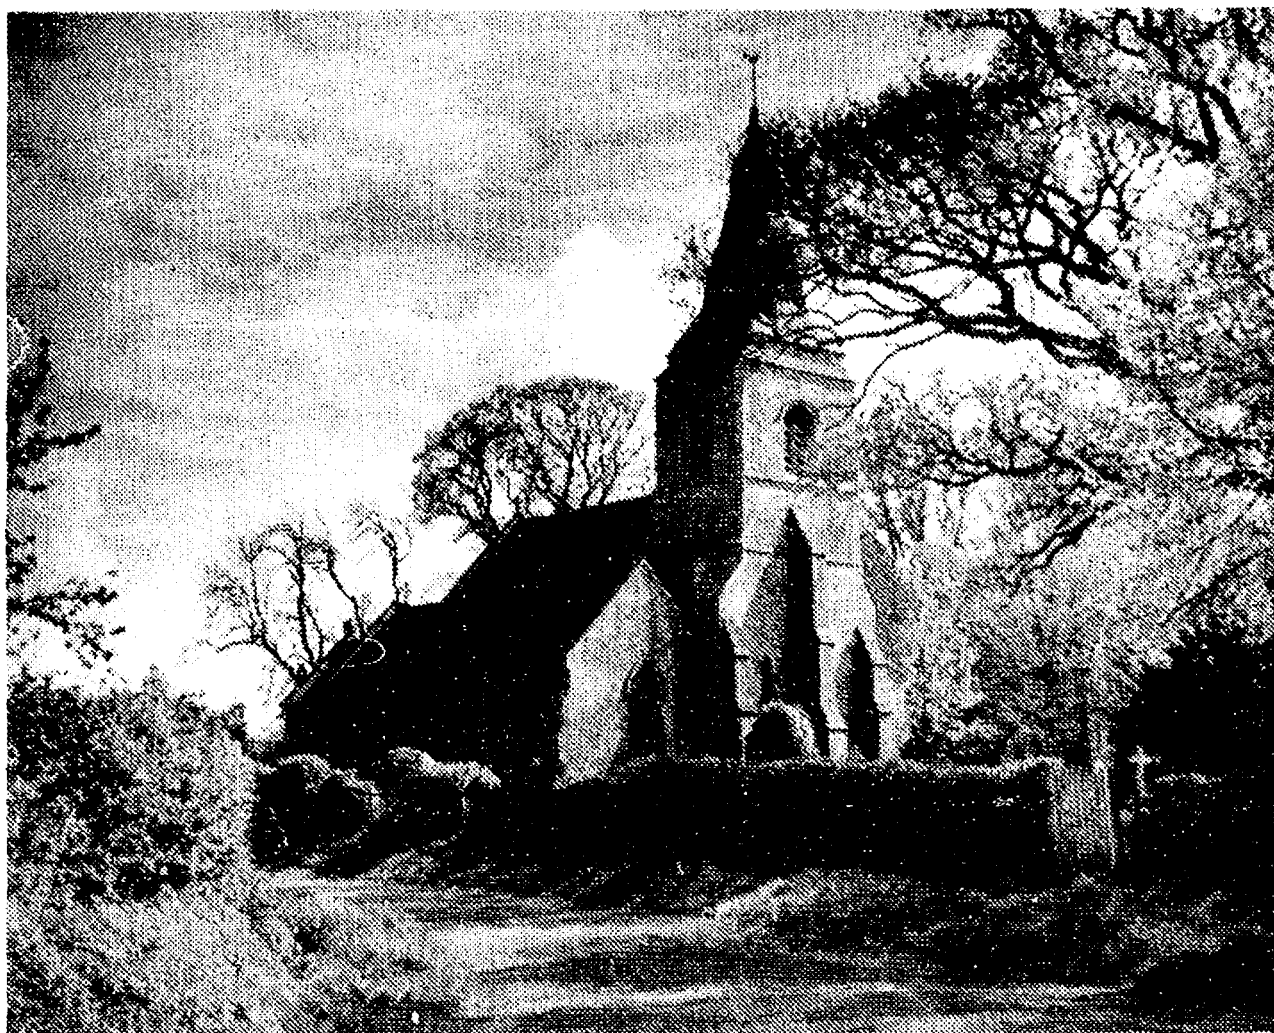

PISCES
Feb. 19-Mar. 20
Be alert to hazardous conditions while driving. Observe speed limits. The iron hand of the law might reach out.

LOOKING FOR GOD

Some say you find God just as well in a garden, in the woods, or on a golf course as in a church — that God is everywhere. But be honest about it.

Are you not more apt to think of weeds, or mosquitoes, or a poor shot than you are of God? And after all, you have made this outing to seek pleasure.

But when you go to church, it is with the specific intention of worshipping. Here you engage in prayer, praise and thanksgiving. Here you mingle with people who are seeking God and have come to feel His presence. In the quiet beauty of a sanctuary you find few outside distractions, and you know that this place is dedicated to the service of God.

For peace and happiness which comes from really feeling God's presence, worship in the house of the Lord this week — make it a regular practice.

Roscommon Libraries Join National Library Week

To advance your career, move ahead in school, improve your musical abilities or succeed in any of 1001 other challenges, you've got to "go for it." The best place to start is at your library.

That's why Roscommon libraries have joined the American Library Association (ALA) in celebrating the 26th annual "National Library Week," April 17-23, which this year carries the theme, "Go for it. Use your library."

"Libraries today offer books, records, tapes, magazines and a variety of extra services to help people begin uncovering their full potential," says Marty Jennings, librarian at the Roscommon Library. "And this vast information resource costs each taxpayer less than the price of a subscription to a single magazine."

During National Library Week the Gerrish-Higgins School libraries and Carol Frank, Food Service Director are sponsoring a special week of food and book related days.

Monday, April 18 will honor Caldecott Medal-winning books for children such as "Frederick" with "Frederick toasted cheese" and "Swimmy" with "Swimmy" soup. Students at Roscommon Middle and High Schools who get a lucky tray will be releasing balloons for the National Library Balloon launch that afternoon. All Roscommon Elementary school students will participate in the balloon launch.

Tuesday of National Library week will be Mark Twain day with food items such as "Mississippi mini-subs" and Huckleberry Finn fruit. Wednesday will feature "Mickey Mouse footlong hot dogs" for Walt Disney day.

Thursday of National Library Week will be Science Fiction day. E.T. will be visiting school cafeterias as students enjoy "20,000 leagues under the Sea" spaghetti. E.T.'s special powers and "Libraries touch your life" will be the theme for the day. Friday will be a day for Judy Blume the popular author of books for older children.

All the school libraries will have special displays and activities throughout National Library Week, including a "living display case" at the high school.

The Roscommon Public Library will celebrate National Library Week with a display

of books that are special favorites of familiar local folks over fifty area residents have been asked "What book made the greatest impact on your life, whether it provided you great fun, made you change your life?" A list of their favorites, with their comments, will be available at the Public Library.

School Meals

April 25 thru 29

File No. 82-005-525-CH

Grayling Window & Door Co.,
A Michigan Corporation,
Plaintiff,

vs.
Larry L. LaMay and
Raymond LaMay, Jointly
and Severally, Defendants.

NOTICE OF SALE

Default having been made in the terms and conditions of a certain Judgment in favor of Plaintiff Grayling Window & Door Co., A Michigan Corporation, and against Defendants Larry L. LaMay and Raymond LaMay, Jointly and Severally, said Judgment being entered in the Circuit Court for the County of Crawford on February 22, 1983 in the amount of One Thousand Five Hundred Thirty-Nine Dollars and Sixteen Cents (\$1,539.16) with interest at 12% per annum from December 16, 1982 together with fees and costs of suit in the amount of \$82.50, the total amount of said Judgment being One Thousand Six Hundred Twenty-One Dollars and Eight Cents (\$1,629.48) at the date of this notice.

NOW THEREFORE, by virtue of the terms of the said Judgment, and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on the 20th day of May, 1983, at 10:00 a.m. in the forenoon, said Judgment will be enforced by a sale at public auction to the highest bidder at the main entrance of the Courthouse in the City of Grayling, County of Crawford, Michigan, that being the building where the Circuit Court for the County of Crawford is held, of the premises described in said Judgment, or so much thereof as may be necessary to pay the amount due on said Judgment with interest at 12% per annum and all legal costs, expenses and charges including attorney fees allowed by law and also any sums which may be paid by the undersigned to protect its interest in the premises, which said premises are described as follows:

Grayling Township, Crawford County, Michigan, all that part of the W 1/4 of the E 1/4 of the NW 1/4 of the SW 1/4 of the SW 1/4 of Section 28, Township 27 North, Range 3 West, lying North of the East Branch of the AuSable River. Also including the West 1/4 of the East 1/4 of the Southwest 1/4 of the Northwest 1/4 of the Southwest 1/4 of Section 28, T27N, R3W.

Defendant(s).

File/Case No. 83-006-562-CH

ORDER TO ANSWER

At a session of said Court, held in the City of Gaylord, Michigan, on the 8th day of April, 1983.

PRESENT: The Honorable William A. Porter Circuit Judge.

On the 7th day of February, 1983, an action was filed by Edward A. Peck and Betty M. Peck, Plaintiff(s), against John Messina and Nick Fleece, Defendant(s), in this Court and cause, to recover damages on a Lease, dated May 4, 1982, said property being described as: Grayling Township, Crawford County, Michigan:

Lot A, part of Section 13, T26N, R4W, commencing at the NW corner of Section 13, thence N89°37'E on section line 672.9 feet to P.O.B.; thence N89°37'E 419.05 feet; thence 50°21'E 113.55 feet to the North of M-93; thence S58°30'W along road 300 feet; thence N31°30'W 313.72 feet to P.O.B., containing 1.66 acres, more or less.

IT IS HEREBY ORDERED that the Defendant(s), John Messina and Nick Fleece, shall answer or take such other action as may be permitted by law, on or before the 18th day of May, 1983. Failure to comply with this Order will result in a Judgment by Default against said Defendant(s) for the relief demanded in the Complaint filed in this Court and cause.

William A. Porter
Circuit Judge

Someday We'll Want to Know

The German Document Retrieval Project, in which tons of valuable synthetic fuel records captured from the Germans after WWII were being analyzed and catalogued, is a victim of falling oil prices. Synthetic fuels are at the moment a dead issue, and that is an unfortunate situation for the nation. The project has closed down with less than one-third of the documents scrutinized.

Frederic Fire Hall Dedicated May 1

The new Frederic fire hall will be dedicated Sunday, May 1, with events scheduled all afternoon. Registration for drawings starts at 1 p.m. followed by an invocation by Pastor Robert Taylor. The dedication ceremonies will begin at 1:30 p.m. with a Benediction by Pastor Dohn Weaver. The firemen and ambulance crews will be introduced later and a waterball fight will be held weather permitting.

Drawings will be held throughout the day and a potluck dinner will conclude the festivities. Music from the 40's to 80's will be played all afternoon by Fred Hinkle. The Citizen's Committee of Frederic and Maple Forest is sponsoring the dedication. For more information call 8-8122 or 8-9804. Refreshment and table service will be provided at the potluck dinner.

Roscommon Pro-Am Canoe Challenge To Be Held May 7 on South Branch

The first annual Roscommon Pro-Am Canoe Challenge will get underway May 7 at Wallace Park, located in Roscommon along the AuSable S. Branch.

Racers can enter three divisions, pro, amateur, and aluminum. The pro division will have \$750 in cash prizes and the amateur division winners will receive trophies. The aluminum division is divided into two classes, junior (12-15 years old) and senior (16 and above). Racers may enter the day of the race. For more information call 275-5810.

C of C Membership Drive to Begin

The upcoming membership drive for the Grayling Regional Chamber of Commerce will be aimed at drawing the 300 potential businesses into the chamber fold.

That comment was made last week by chamber president Ernie Dawson as he addressed about 80 chamber members and friends during an open meeting at the Holiday Inn. He introduced the members of the board of directors and discussed the many projects in which they are involved for the community.

Secretary/manager Joyce Kolka described her new responsibilities to the audience and mentioned some of the new projects planned for the coming fiscal year. She noted that fall color tours are being planned for this year and a Mushroom Festival will be held next spring.

KCC

(Continued from Page 1)

company's Dynamometer Laboratory, product research, engineering, testing, service and quality control before becoming chief engineer for the Chassis Engineering Design Office in 1967. He was named assistant general manager - operations - for the company's Automotive Assembly Division in 1968, general manager of the former Transmission Division of NAAO in 1971, general manager - product development and manufacturing for worldwide Ford Tractor Operations in 1974, and head of the company's Climate Control Division in May 1977, a position he held until his present assignment.

Born in Detroit on August 16, 1921, Mr. Manoogian holds a degree in mechanical engineering from the Detroit Institute of Technology. He is a member of the Society of Automotive Engineers, the American Society of Quality Control, the Engineering Society of Detroit, and the Detroit Economic Club. He lives in Plymouth, Michigan.

Softball

(Continued from Page 1)

Bleachers and a scoreboard will be added, and lights are planned for the future.

Corky Hellebuyck, a member of the Grayling Softball League, said playing at the new field will be a brand new start for the league. He said the league will field eight teams this year - up from six last year. Each team will play a doubleheader one night a week instead of playing two nights a week as they did last year. The seven teams with sponsors already are M & M Associates, West Star Service Center, K & K Masonry, Holiday Inn, 7-Eleven, Custom Forest Products, and Budweiser Light. Players wanting to join the league or sponsors wanting to field a team or buy space on the outfield fence can call Hellebuyck 8-5553 or Tim Mead 8-4021 or Mike Hettinger 8-9836.

Hanson Hills and the Grayling Softball League will be sponsoring three softball tournaments this year at the new "Howard Taylor Field" at the park. The biggest tournament will be during the Fourth of July with as many as 12 teams and tournaments will also be played during Milltown and the Crawford County Fair.

The new fence is 275 feet away from home plate in right, left, and center field - longer than the fence at the Grayling High School field where the league played before.
